

Collapsing and cracking on Little Ellis

Mt Ellis

Northern Gallatin

2/9/2020

Code

Latitude

45.57770

Longitude

-110.95500

Notes

Two parties reported, "Widespread wumphing and cracking on Little Ellis (both on the north side and east facing meadow above)." and "We skinned up the road and planned to ski the eastern meadow below Little Ellis. As soon as we began skinning the meadow, heard, and felt, a significant "whomp" so decided to play it safe and leave the area."
